THE ONE HUNDRED AND THIRTY-FOURTH

ANNUAL REPORT

for the year ended 31st December, 1944

The Board of Management presents the Annual Report and Statement of Accounts for the year ended 31st December, 1944.

The death during the year of Dr. J. S. Chorlton, who was a member of the Honorary Medical Staff from 1923 and Board of Management from 1940, is recorded with regret, and the Board wish to record appreciation of the valuable services he rendered.

A very long period of service both he and his father, whom he succeeded, rendered to the Hospital, was severed by the death of Mr. Denis H. Sutton, who was Honorary Dental Surgeon to the Hospital since 1913.

The Board also regrets to report the resignation of the Hon. Dorothy Pickford. Mrs. H. A. Bagshawe and the Lady Anne Hunloke have become members.

Dr. E. C. Cosgrove has been appointed a representative of the Honorary Medical Staff on the Board.

Although the Hetherington Scale of salaries for Domestic Workers has been adopted the Domestic Staff problem still remains acute.

In order to provide greater facilities for the treatment of the more serious forms of rheumatic diseases the Board of Management encouraged by the Government proposals for a National Health Service, and after much consideration and consultation with the Architect, Mr. J. Hubert Worthington, has decided provisionally on the following scheme:—

- 1. To take over the whole of the existing accommodation for diagnostic, treatment and administrative purposes.
- 2. To erect modern wards for upwards of 400 patients on land belonging to and immediately adjoining the hospital.

It is obvious that conditions will not allow of such extensions for some years and the Board has, therefore, approved an interim scheme for the better accommodation of patients in the present Nurses' Home. This only involves minor alterations.

The Board is indebted to the representatives of the Nuffield Provincial Hospitals Trust Fund for helpful advice on the occasion of their visit to the hospital in connection with these proposals.

Mrs. Bowen for nearly five years has lent Corbar Hall to the Hospital, free of rent, for the accommodation of resident physiotherapy students and the Board is very grateful to her.

Arrangements have now been completed to purchase this property with part of the grounds from Mrs. Bowen.

President.

The Board is pleased to announce that Lady Turner has consented to continue in the office of President for the ensuing year.

Finance.

There has been an appreciable increase in the total income, £42,911 8s. 9d. as compared with £40,293 19s. 9d., and in spite of increased expenditure £7,900 has been transferred to the Contingencies and Post War Expenditure Account which constitutes a reserve for future maintenance and improvements.

Grateful thanks are extended to all subscribers and supporters of the hospital for their financial assistance during these difficult times, and the Board invites them to assist the Hospital by completing

a simple form of Deed to pay a subscription annually for a period of seven years or more. This enables the Hospital to recover the appropriate amount of tax.

All necessary information will be gladly supplied on request.

Subscribers are urged to instruct their Bankers to credit the Hospital with their subscriptions at a given date annually, thus ensuring economy in stationery and postage.

Recommendations will continue to be issued to subscribers on request only, as a war time economy.

A detailed list of subscribers and any information which it has been necessary to omit from this report will be readily supplied at the Hospital.

Investments.

Out of the balance standing to the credit of the Contingencies and Post War Expenditure Account £7,000 has been invested in 3% Savings Bonds.

There are 63 students in the school. 26 students completed their training during the year, passing their Electro-therapy Examination.

The generous interest shewn in Service patients by the B.R.C.S., the Buxton Hospitality Committee, the members of the W.V.S. and the general public is greatly appreciated by the patients concerned and by the Board of Management.
